Good afternoon, Jim,

It has been several years since we have met with you, but you likely recall that I represent Occidental Chemical Corporation, Maxus Energy Corporation and Tierra Solutions, Inc. My clients have not been part of the CPG since the summer of 2012, but we have been advised that representatives of the CPG have met with you recently.

My clients would appreciate being able to meet with you at your earliest opportunity to discuss the Passaic River and the anticipated FFS. We are available at your convenience.

If you would like to speak with me about this request, please call my Houston office at 713.758.2528 and my secretary will transfer you to me if I am not traveling, or leave a message and I will return your call as promptly as possible. I am out of the office this week but generally available. Or please reply to this email if you'd like to speak and I'll call you as soon as possible.

Thank you,  
Carol
